

# Blumen

- Vorkultur
- Direktsaat (Freiland)
- Blüte

AN = Andrücken, nicht abdecken  
 s = sonnig  
 h = halbschattig

	Januar	Februar	März	April	Mai	Juni	Juli	August	September	Oktober	November	Dezember	Keimtemperatur °C	Keimdauer in Tagen	Saattiefe in cm	Standort	Schlingpflanze	Schnittblume
<b>Einjährige Blumen</b>																		
<b>Astern</b> (Callistephus)				<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span> <span style="display: inline-block; width: 20px; height: 10px; background-color: #3954AB;"></span>			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			15-20	7-14	0,5-1	s-h		x
<b>Bechermalve</b> (Lavatera)				<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span> <span style="display: inline-block; width: 20px; height: 10px; background-color: #3954AB;"></span>			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			18	8-14	1	s-h		x
<b>Dahlie</b> (Dahlia)			<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>				<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			18	8-15	1	s-h		x
<b>Fleißiges Lieschen</b> (Impatiens)			<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			20-24	14-20	AN	h		
<b>Glockenrebe</b> (Cobaea)				<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>				<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			20	10-14	0,5	s-h	x	
<b>Kapuzinerkresse</b> (Tropaeolum)							<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			16-20	14-20	2	s-h	x	
<b>Kornblume</b> (Centaurea)				<span style="display: inline-block; width: 20px; height: 10px; background-color: #3954AB;"></span>			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			15	14-20	1-1,5	s-h		x
<b>Löwenmäulchen</b> (Antirrhinum)			<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #3954AB;"></span>			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			15-20	10-18	AN	s-h		x
<b>Männertreu</b> (Lobelia)			<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #3954AB;"></span>			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			15-20	6-10	0,5	s		
<b>Mittagsgold</b> (Gazanie)		<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>				<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			20-22	8-14	AN	s		
<b>Prunkwinde</b> (Ipomoea)			<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #3954AB;"></span>			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			18	10-16	1-2	s	x	
<b>Ringelblume</b> (Calendula)				<span style="display: inline-block; width: 20px; height: 10px; background-color: #3954AB;"></span>			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			10-15	10-15	1,5	s-h		x
<b>Schmuckkörbchen</b> (Cosmea)			<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #3954AB;"></span>			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			16-18	6-14	1	s-h		x
<b>Schwarzäug. Susanne</b> (Thunbergia)		<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>				<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			18-22	10-14	1	s-h	x	
<b>Sonnenblume</b> (Helianthus)				<span style="display: inline-block; width: 20px; height: 10px; background-color: #3954AB;"></span>			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			15-20	7-15	2-3	s		x
<b>Sonnenhut</b> (Rudbeckia)			<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #3954AB;"></span>			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			15-18	10-15	0,5	s-h		x
<b>Studentenblume</b> (Tagetes)			<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #3954AB;"></span>			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			16-18	7-14	1	s-h		x
<b>Wicken</b> (Lathyrus)				<span style="display: inline-block; width: 20px; height: 10px; background-color: #3954AB;"></span>			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			12-15	14	3	s-h	x	x
<b>Zinnie</b> (Zinnia)				<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #3954AB;"></span>		<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			15-20	7-14	1	s-h		x
<b>Zweijährige Blumen (Blüte im Folgejahr)</b>																		
<b>Gänseblümchen</b> (Bellis)			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			<span style="display: inline-block; width: 20px; height: 10px; background-color: #3954AB;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			15-18	7-14	AN	s		
<b>Goldlack</b> (Cheiranthus)				<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			<span style="display: inline-block; width: 20px; height: 10px; background-color: #3954AB;"></span>						18	8-14	0,5	h		x
<b>Hornveilchen</b> (Viola cornuta)			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>		<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			15-18	14-20	0,5	s-h		
<b>Nelke, Bart-/Land-</b> (Dianthus)				<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>		<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>					15-17	8-14	0,5-1	s		x
<b>Stiefmütterchen</b> (Viola x wittrockiana)			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>		<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			15-18	14-20	0,5	s-h		
<b>Vergissmeinnicht</b> (Myosotis)				<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>		<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>	<span style="display: inline-block; width: 20px; height: 10px; background-color: #4CAF50;"></span>			<span style="display: inline-block; width: 20px; height: 10px; background-color: #FFC107;"></span>			18	14-20	AN	s-h
